

# DSCP LIGHTING TEAM

The Defense Supply Center Philadelphia (DSCP) the “Provider of Choice” for all lighting needs in the Federal sector, offers a wide variety of commercial (lamps, bulbs, ballast and fixtures) and weapons system lighting products. Through our industry integration and customer partnerships, we have secured acquisition arrangements that guarantee expeditious delivery, competitive pricing, and product selection, that exceeds our customer’s needs. We also offer a full range of “**Energy Efficient Products**” such as: compact fluorescent, high-pressure sodium, metal halide, and low mercury lamps as well as fixtures that meet energy guidelines and environmental concerns. DSCP stands ready to serve our customers and provide lighting solutions for the 21st Century.

Below are the DSCP “Lighting Team” Points of Contact for all of your lighting questions (DSN 442-)
